Definitions

Light refreshments : Light refreshments might typically take the form of any of the following :
The provision of breakfast foods, morning or afternoon tea, cakes, muffins, juices & soft drinks.
This would be provided at a meeting involving sanofi-aventis staff and healthcare professionals and would be incidental to the meeting content.

Lunch meal - food and drink: The provision of a lunch meal involves the provision of a lunch typically of more substance than light refreshments.

Dinner and beverages: The provision of Dinner and beverages can be during or post business discussions and maybe provided at a location offsite to a work location. Some dinner meetings may involve the provision of alcoholic beverages.

Sponsorships & Conference registrations: The inclusion of Sponsorships & Conference registrations in this report will be due to meals being provided at these events.

Sponsorship of Food or beverages: Where sanofi-aventis has agreed to make payment for the provision of food or beverages at an event organised typically by a 3rd party.
